10.2.10 CANCELLATION OF CLASSES

- A. The President of the University or an official appointed by the President is authorized to cancel classes at the University or any part thereof in the event that weather conditions so dictate.
- B. Students on clinical clerkships are required to adhere to the following:
 - 1. If an announcement of closure or delayed opening is not available sufficiently early to allow a student to travel safely to the assigned clinical affiliate, students should suspend their travel plans until such time that the University posts an appropriate message.
 - 2. In cases where the University does not cancel classes, and/or cancel outpatient services, students should follow the inclement weather procedures announced by their assigned clinical affiliate.
 - 3. Students are responsible for informing their clerkship or course director as soon as possible of any lateness or absence. It is also the student's responsibility to make arrangements with the clerkship or course director to complete any hours missed, if required.
- C. It is the policy of the University not to cancel classes on religious holidays. However, students should exercise their own judgment as to attendance in accordance with the dictates of specific school or program policies and requirements governing class attendance.
