Thereafter, the rate increases 2/100th of one (1) percent (.0002) for each additional \$5,000 of salary or portion thereof, the new rate to be applied to the entire salary. Example: The rate for \$25,000 to \$29,999 is .0012; for \$30,000 to \$34,999 is .0014; for \$35,000 to \$39,999 is .0016, etc.

Any vehicles using any University campus parking must be registered with the appropriate permit through the Department of Transportation Services.

Parking regulations are always in effect. The University does not guarantee a parking space.

The permit holder assumes all risk of accident and expressly agrees that the University shall not be liable under any circumstances for injury to person, or loss, or damage. It is also the responsibility of each permit holder to understand and abide by all applicable rules and regulations issued through the various parking/transportation offices.
