1. Policy Statement

The Capital Plan for the University is the development and maintenance of the long-range physical vision of the university which encompasses the development of individual capital projects ensuring that they adhere to the University Master and Strategic Capital Plan.

The development of Capital Projects involves understanding the project scope, site selection and programming requirements.

2. Reason for Policy

~~All regulations and procedures are subject to amendment.~~

All policies are subject to amendment. Please refer to the Rutgers University Policy Library website (policies.rutgers.edu) for the official, most recent version.

To ensure that all capital plan and capital projects are developed under the authority of the ~~University Facilities & Capital Planning department~~ Institutional Planning and Operations division-

3. **Who Should Read This Policy**
