Except as set forth in Section C below, faculty members appointed for the Academic Year (AY) carry a normal teaching program for both fall and spring terms and must be available for related duties, committee assignments, and similar activities from September 1 until Commencement, or an equivalent period within the Academic Year.

   Faculty members appointed for the Calendar Year (CY) are expected to devote the entire year with the exception of one month’s vacation to their University duties. This work is done on campus except by special arrangement with the appropriate dean or director.

   C. In Robert Wood Johnson Medical School, School of Health Related Professions, Rutgers School of Dental Medicine, New Jersey Medical School, School of Public Health, and School of Nursing (former UMDNJ School of Nursing), appointments that are for any specified three-hundred-sixty-five (365) day duration or part thereof, and which require the devotion of the entire duration of the appointment, with the exception of vacation time as set forth in the appropriate collective negotiations agreement, to the assigned duties, are Calendar Year (CY) appointments. This work is done on campus except by special...
arrangement with the appropriate academic officer.

D. Each newly appointed or reappointed faculty member shall receive a formal letter of appointment from the appropriate administrative officer which sets forth precisely the terms of the appointment. To promote the effectiveness of the appointee’s department, college, and or unit of the University, the performance of his or her assigned duties shall be reviewed and evaluated periodically, using procedures established by his or her appointee’s college, school, or unit of the University. These procedures shall be consistent with University policy.
